#### Global Initiative Against Transnational Organised Crime Cape Town NPC Annual Financial Statements for the year ended 31 December 2022 Directors' Responsibilities and Approval

The directors are required by the Companies Act of South Africa, to maintain adequate accounting records and are responsible for the content and integrity of the annual financial statements and related financial information included in this report. It is their responsibility to ensure that the annual financial statements fairly present the state of affairs of the company as at the end of the financial year and the results of its operations and cash flows for the period then ended, in conformity with the International Financial Reporting Standard for Small and Medium-sized Entities.

The annual financial statements are prepared in accordance with the International Financial Reporting Standard for Small and Medium-sized Entities and are based upon appropriate accounting policies consistently applied and supported by reasonable and prudent judgements and estimates.

The directors acknowledge that they are ultimately responsible for the system of internal financial control established by the company and place considerable importance on maintaining a strong control environment. To enable the directors to meet these responsibilities, the directors sets standards for internal control aimed at reducing the risk of error or loss in a cost effective manner. The standards include the proper delegation of duties to ensure an acceptable level of risk. These controls are monitored throughout the company and all employees are required to maintain the highest ethical standards in ensuring the company's business is conducted in a manner that in all reasonable circumstances is above reproach. The focus of risk management in the company is on identifying, assessing, managing and monitoring all known forms of risk across the company. While operating risk cannot be fully eliminated, the company endeavours to minimise it by ensuring that appropriate infrastructure, controls, systems and ethical behaviour are applied and managed within predetermined procedures and constraints.

The directors are of the opinion, based on the information and explanations given by management, that the system of internal control provides reasonable assurance that the financial records may be relied on for the preparation of the annual financial statements. However, any system of internal financial control can provide only reasonable, and not absolute, assurance against material misstatement or loss.

The directors are satisfied that the company has or has access to adequate resources to continue in operational existence for the foreseeable future.

The independent reviewer is responsible for independently reviewing and reporting on the company's annual financial statements. The annual financial statements have been examined by the company's independent reviewer and their report is presented on pages 4 to 5.

The annual financial statements set out on pages 6 to 19, which have been prepared on the going concern basis, were approved by the directors on **26 July 2023** and were signed on their behalf by:

Director DAP CASTROW

#### Independent Reviewer's Report 31 December 2022

To the Members of Global Initiative Against Transnational Organised Crime Cape Town NPC

## Report on the Review of the Financial Statements

We have reviewed the financial statements of Global Initiative Against Transnational Organised Crime Cape Town NPC set out on pages 7 to 19, which comprise the statement of financial position as at 31 December 2022 and the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

#### Directors' Responsibility for the financial statements

The directors are responsible for the preparation and fair presentation of these financial statements in accordance with the International Financial Reporting Standard for Small and Medium-sized Entities and the requirements of the Companies Act of South Africa, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Independent Reviewer's Responsibility

Our responsibility is to express a conclusion on these financial statements. We conducted our review in accordance with the International Standard on Review Engagements (ISRE) 2400 (Revised), *Engagements to Review Historical financial statements*. ISRE 2400 (Revised) requires us to conclude whether anything has come to our attention that causes us to believe that the financial statements, taken as a whole, are not prepared in all material respects in accordance with the applicable financial reporting framework. This Standard also requires us to comply with relevant ethical requirements.

A review of financial statements in accordance with ISRE 2400 (Revised) is a limited assurance engagement. The independent reviewer performs procedures, primarily consisting of making inquiries of management and others within the entity, as appropriate and applying analytical procedures, and evaluates the evidence obtained.

The procedures performed in a review are substantially less than those performed in an audit conducted in accordance with International Standards on Auditing. Accordingly, we do not express an audit opinion on these financial statements.

#### **Basis for Qualified Conclusion**

As is common with similar companies, it is not feasible for the company to institute accounting controls over cash collections from donations, prior to initial entry of the collections in the accounting records. Accordingly, it was impracticable for us to extend our examination beyond receipts actually recorded, therefore, we have been unable to satisfy ourselves as to the completeness of donations received.

## mazars

#### **Qualified Conclusion**

Based on our review, except for the effects of the matter described in the Basis for Qualified Conclusion paragraph, nothing has come to our attention that causes us to believe that these financial statements do not present fairly, in all material respects, the financial position of Global Initiative Against Transnational Organised Crime Cape Town NPC as at 31 December 2022, and its financial performance and cash flows for the then ended in accordance with the International Financial Reporting Standard for Small and Medium-sized Entities and the requirements of the Companies Act of South Africa.

#### **Other Matter**

Without qualifying our opinion, we draw attention to the fact that supplementary information set out on page 20 does not form part of the financial statements and is presented as additional information. We have reviewed this information and accordingly do not express an opinion thereon.

#### Other reports required by the Companies Act of South Africa

The financial statements include the Directors' Report as required by the Companies Act of South Africa. The directors are responsible for the Directors' Report. Our conclusion on the financial statements does not cover the Directors' Report and we do not express any form of assurance conclusion thereon.

In connection with our independent review of the financial statements, we have read the Directors' Report and, in doing so, considered whether the Directors' Report is materially inconsistent with the financial statements or our knowledge obtained in the independent review, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of the Directors' Report, we will report that fact. We have nothing to report in this regard.

Mazars

Mazars Partner: Melanie Odendaal Registered Auditor 26 July 2023 Cape Town

#### Global Initiative Against Transnational Organised Crime Cape Town NPC Annual Financial Statements for the year ended 31 December 2022 Directors' Report

The directors have pleasure in submitting their report on the annual financial statements of Global Initiative Against Transnational Organised Crime Cape Town NPC for the year ended 31 December 2022.

#### 1. Nature of business

Global Initiative Against Transnational Organised Crime Cape Town NPC was incorporated in South Africa with interests in the Non-profit industry. The company operates in South Africa.

There have been no material changes to the nature of the company's business from the prior year.

#### 2. Review of financial results and activities

The annual financial statements have been prepared in accordance with the International Financial Reporting Standard for Small and Medium-sized Entities and the requirements of the Companies Act of South Africa. The accounting policies have been applied consistently compared to the prior year.

Full details of the financial position, results of operations and cash flows of the company are set out in these annual financial statements and do not, in our opinion require further explanation.

#### 3. Directors

The directors in office at the date of this report are as follows:

Directors	Nationality	Changes
G.S.W Otieno	Kenyan	-
E.E Alemika	Nigerian	
P.H.P Gastrow	South African	
V.P Pikoli	South African	
Z.D Ghanem	French	Appointed 15 March
		2022

#### 4. Events after the reporting period

The directors are not aware of any material event which occurred after the reporting date and up to the date of this report.

#### 5. Going concern

The directors believe that the company has adequate financial resources to continue in operation for the foreseeable future and accordingly the annual financial statements have been prepared on a going concern basis. The directors have satisfied themselves that the company is in a sound financial position and that it has access to sufficient borrowing facilities to meet its foreseeable cash requirements.

The directors are not aware of any new material changes that may adversely impact the company. The directors are also not aware of any material noncompliance with statutory or regulatory requirements or of any pending changes to legislation which may affect the company.

#### 6. Review

The annual financial statements are subject to an independent review and have been reviewed by Mazars.

#### 7. Liquidity and solvency

The directors have performed the required liquidity and solvency tests required by the Companies Act of South Africa, of which the outcome was satisfactory.

## Global Initiative Against Transnational Organised Crime Cape Town NPC Annual Financial Statements for the year ended 31 December 2022 Statement of Cash Flows

#### 1. Basis of preparation and summary of significant accounting policies

The annual financial statements have been prepared on a going concern basis in accordance with the International Financial Reporting Standard for Small and Medium-sized Entities, and the Companies Act of South Africa. The annual financial statements have been prepared on the historical cost basis, and incorporate the principal accounting policies set out below. They are presented in South African Rands.

These accounting policies are consistent with the previous period.

#### 1.1 Significant judgements and sources of estimation uncertainty

#### Critical judgements in applying accounting policies

Management are required to make critical judgements in applying accounting policies from time to time. The judgements, apart from those involving estimations, that have the most significant effect on the amounts recognised in the annual financial statements, are outlined as follows:

#### Key sources of estimation uncertainty

#### Useful lives of property, plant and equipment

Property, plant and equipment are depreciated over its useful life taking into account the residual values where appropriate. The actual useful lives of assets and residual values are assessed annually. In re-assessing assets' useful lives, factors such as technological innovation, product life cycles and maintenance programs are taken into account. Residual value assessments consider issues such as future market conditions, the remaining life of the asset and projected disposal values.

#### 1.2 Property, plant and equipment

Property, plant and equipment are tangible assets which the company holds for its own use or for rental to others and which are expected to be used for more than one period.

An item of property, plant and equipment is recognised as an asset when it is probable that future economic benefits associated with the item will flow to the company, and the cost of the item can be measured reliably.

Property, plant and equipment is initially measured at cost.

Cost includes costs incurred initially to acquire or construct an item of property, plant and equipment and costs incurred subsequently to add to, replace part of, or service it. If a replacement cost is recognised in the carrying amount of an item of property, plant and equipment, the carrying amount of the replaced part is derecognised.

Property, plant and equipment is subsequently stated at cost less accumulated depreciation and any accumulated impairment losses.

Depreciation of an asset commences when the asset is available for use as intended by management. Depreciation is charged to write off the asset's carrying amount over its estimated useful life to its estimated residual value, using a method that best reflects the pattern in which the asset's economic benefits are consumed by the company.

The useful lives of items of property, plant and equipment have been assessed as follows:

Item	Depreciation method	Average useful life
Furniture and fixtures	Straight line	5 years
Computer equipment	Straight line	5 years
Computer software	Straight line	2 years

#### 1.2 Property, plant and equipment (continued)

When indicators are present that the useful lives and residual values of items of property, plant and equipment have changed since the most recent annual reporting date, they are reassessed. Any changes are accounted for prospectively as a change in accounting estimate.

Impairment tests are performed on property, plant and equipment when there is an indicator that they may be impaired. When the carrying amount of an item of property, plant and equipment is assessed to be higher than the estimated recoverable amount, an impairment loss is recognised immediately in profit or loss to bring the carrying amount in line with the recoverable amount.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its continued use or disposal. Any gain or loss arising from the derecognition of an item of property, plant and equipment, determined as the difference between the net disposal proceeds, if any, and the carrying amount of the item, is included in profit or loss when the item is derecognised.

#### 1.3 Financial instruments

#### Initial measurement

Financial instruments are initially measured at the transaction price (including transaction costs except in the initial measurement of financial assets and liabilities that are measured at fair value through profit or loss) unless the arrangement constitutes, in effect, a financing transaction in which case it is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

#### Financial instruments at amortised cost

These include loans, trade receivables and trade payables. Those debt instruments which meet the criteria in section 11.8(b) of the standard, are subsequently measured at amortised cost using the effective interest method. Debt instruments which are classified as current assets or current liabilities are measured at the undiscounted amount of the cash expected to be received or paid, unless the arrangement effectively constitutes a financing transaction.

At each reporting date, the carrying amounts of assets held in this category are reviewed to determine whether there is any objective evidence of impairment. If there is objective evidence, the recoverable amount is estimated and compared with the carrying amount. If the estimated recoverable amount is lower, the carrying amount is reduced to its estimated recoverable amount, and an impairment loss is recognised immediately in profit or loss.

#### 1.4 Leases

A lease is classified as a finance lease if it transfers substantially all the risks and rewards incidental to ownership to the lessee. All other leases are operating leases.

#### Operating leases – lessee

Operating lease payments are recognised as an expense on a straight-line basis over the lease term unless:

- another systematic basis is representative of the time pattern of the benefit from the leased asset, even if the payments are not on that basis, or
- the payments are structured to increase in line with expected general inflation (based on published indexes or statistics) to compensate for the lessor's expected inflationary cost increases.

Any contingent rents are expensed in the period they are incurred.

#### 1.5 Impairment of assets

The company assesses at each reporting date whether there is any indication that asset may be impaired.

If there is any such indication, the recoverable amount of any affected asset (or group of related assets) is estimated and compared with its carrying amount. If the estimated recoverable amount is lower, the carrying amount is reduced to its estimated recoverable amount, and an impairment loss is recognised immediately in profit or loss.

If an impairment loss subsequently reverses, the carrying amount of the asset (or group of related assets) is increased to the revised estimate of its recoverable amount, but not in excess of the amount that would have been determined had no impairment loss been recognised for the asset (or group of assets) in prior years. A reversal of impairment is recognised immediately in profit or loss.

#### 1.6 Employee benefits

#### Short-term employee benefits

The cost of short-term employee benefits, (those payable within 12 months after the service is rendered, such as leave pay and sick leave, bonuses, and non-monetary benefits such as medical care), are recognised in the period in which the related service is rendered and are not discounted.

#### 1.7 Grants

Grants that do not impose specified future performance conditions are recognised in income when the grant proceeds are receivable.

Grants that impose specified future performance conditions are recognised in income only when the performance conditions are met.

Grants received before the revenue recognition criteria are satisfied are recognised as a liability.

Grants are measured at the fair value of the asset received or receivable.

#### 1.8 Revenue

Revenue consists of funds received from fundraising projects, fees and donations received.

Revenue is recognised if the performance conditions of the grants are met.

Interest is recognised, in profit or loss, using the effective interest rate method.

#### 1.9 Borrowing costs

Borrowing costs are recognised as an expense in the period in which they are incurred.

#### 1.10 Foreign exchange

#### Foreign currency transactions

A foreign currency transaction is recorded, on initial recognition in Rands, by applying to the foreign currency amount the spot exchange rate between the functional currency and the foreign currency at the date of the transaction.

At the end of the each reporting period:

- foreign currency monetary items are translated using the closing rate;
- non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rate at the date of the transaction; and
- non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined.

Exchange differences arising on monetary items are recognised in profit or loss in the period in which they arise.

The foreign exchange component of a non-monetary item is recognised consistently with any other gains or losses on those items, in other comprehensive income or is transferred from equity in other comprehensive income and included in the initial measurement of the cost of the asset or loss.

#### 1.11 Related parties

Individuals or entities are related parties if one party has the ability, directly or indirectly, to control or jointly control the other party, or excercise significant influence over the other party in making financial and/or operating decisions. The directors of the company are to be key management and consequently related parties. Related party transactions and balances are disclosed in note 13.

#### 17. Going concern

The directors believe that the company has adequate financial resources to continue in operation for the foreseeable future and accordingly the annual financial statements have been prepared on a going concern basis. The directors have satisfied themselves that the company is in a sound financial position and that it has access to sufficient borrowing facilities to meet its foreseeable cash requirements.

The directors are not aware of any new material changes that may adversely impact the company. The directors are also not aware of any material noncompliance with statutory or regulatory requirements or of any pending changes to legislation which may affect the company.

#### 18. Events after the reporting period

The directors are not aware of any material event which occurred after the reporting date and up to the date of this report.
